Honorable Director of Patents and Trademarks  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The Amended Supplemental Brief on Appeal was filed with the Patent and Trademark Office for this application on October 5, 2007, and appears in the electronic record for this application. However, inadvertently, there is a typographical error in the serial number of the Amended Supplemental Brief, and it improperly identifies the application as Serial No. 09/668,557 rather than 09/688,557. This letter is simply to clarify that the brief was properly filed, and the serial number on the document has one digit in error. Since the brief is in the electronic record for the present application, all should be in order, but if anything further is required, the undersigned should be contact.

November 14, 2007

Respectfully submitted,
